**Independent Auditors' Report**

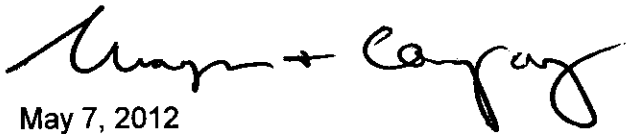

To the Board of Directors of  
**International Gay and Lesbian Human Rights Commission, Inc.**

We have audited the accompanying statement of financial position of International Gay and Lesbian Human Rights Commission, Inc. ("IGLHRC"), a not-for-profit organization, as of June 30, 2011 and the related statement of activities and cash flows for the year then ended. These financial statements are the responsibility of IGLHRC's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from IGLHRC's June 30, 2010 financial statements and, in our report dated January 25, 2011, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of International Gay and Lesbian Human Rights Commission, Inc. as of June 30, 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of functional expenses on page 13 is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

A handwritten signature in black ink, appearing to read "Mayer + Company", is written over the date.

**1. ORGANIZATION**

International Gay and Lesbian Human Rights Commission, Inc. ("IGLHRC") was incorporated in 1991 as a U.S.-based not-for-profit organization headquartered in New York City with offices located in Buenos Aires, Argentina and Johannesburg, South Africa. The mission of IGLHRC is to secure the full enjoyment of the human rights of all people and communities subject to discrimination or abuse on the basis of sexual orientation or expression, and/or HIV/AIDS status. IGLHRC actively fosters partnerships with local, national and international activists and organizations to further this mission through advocacy, documentation, coalition building, public education, training and technical assistance.

For Federal income tax purposes, IGLHRC is classified as a 501(c)(3) organization and is exempt under Section 501(a)(1) of the Internal Revenue Code and a similar provision of the New York State income tax laws.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of IGLHRC have been prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America. The significant accounting policies are described below.

**Basis of Presentation**

The net assets of IGLHRC are reported as follows:

Unrestricted

Unrestricted net assets are net assets that are neither permanently restricted nor temporarily restricted by donor-imposed stipulations and are available for the general operations of the IGLHRC.

The Board-designated quasi-endowment net assets include resources that have been designated by the Board of Directors to function as endowments and consist of amounts held in a reserve for operating contingencies. Any portion of the quasi-endowment may be expended upon approval of the Board of Directors. Investment income from these net assets supports the current operations of IGLHRC. The balance in Board designated net assets as of June 30, 2011 was \$400,000.

COMMISSION, INC.**

---

Temporarily Restricted

Temporarily restricted net assets include gifts of cash and other assets received with donor-imposed stipulations that will be met either by actions of IGLHRC and/or the passage of time.

Contributions with donor-imposed restrictions are reported as increases in temporarily restricted net assets and are reclassified to unrestricted net assets when purpose or time restrictions are met, and recorded in the accompanying financial statements as net assets released from restrictions.

Permanently Restricted

Permanently restricted net assets include funds that have been restricted by donors to be held in perpetuity. IGLHRC had permanently restricted net assets of \$18,354.

**Cash and Cash Equivalents**

IGLHRC considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

**Grants and Contributions**

IGLHRC records contributions and grants, both cash and in-kind, when an unconditional promise to give such assets is received from a donor. Contributions and grants are recorded at the fair market value of the assets received and are classified as either unrestricted, temporarily restricted, or permanently restricted, depending on whether the donor has imposed a restriction on the use of such assets.

Contributions and grants receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on these amounts are computed using a risk-free interest rate determined in the year in which the contribution originates. Amortization of the discount is included in contribution revenue.

**Contract Revenue**

Revenue from government and other contracts is recognized when reimbursable expenses are incurred under the terms of the respective contracts. Contract payments in excess of qualified expenses are accounted for as contract advances.

COMMISSION, INC.**

---

**Donated Services**

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the organization.

**Property and Equipment**

International Gay and Lesbian Human Rights Commission, Inc. capitalizes property and equipment with a cost or fair value exceeding \$1,000 and a useful life of more than one year. Depreciation of property and equipment is provided on the straight-line method over the expected useful lives of the assets as follows:

Property and equipment	3-5 years
------------------------	-----------

**Functional Expense Allocations**

The costs of providing the various programs and other activities of IGLHRC have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting service benefited. Such allocations are determined by management in accordance with grant provisions and/or other equitable basis.

**Income Taxes**

IGLHRC adopted Accounting Standards Codification ("ASC") 740 "Income Taxes." ASC 740 requires that a tax position be recognized or derecognized based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. The adoption of this guidance did not have an impact on IGLHRC's financial statements, as management believes that there are no uncertain tax positions within its financial statements. IGLHRC has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it was nexus; and to review other matters that may be considered tax positions.

**Concentrations of Credit Risk**

Financial instruments that potentially subject IGLHRC to concentrations of credit risk consist primarily of cash and cash equivalents. IGLHRC maintains cash and cash equivalent balances in various bank accounts that, at times, may exceed federally insured limits. IGLHRC's cash accounts were placed with high credit quality financial institutions. IGLHRC has not experienced, nor does it anticipate, any losses in such accounts.

COMMISSION, INC.**

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Reclassifications**

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

**3. GRANTS AND CONTRIBUTIONS RECEIVABLE**

Grants and contributions receivable at June 30, 2011 consisted of current promises to give which are collectible as follows:

One year or less	\$ 624,333
One to seven years, net of present value discount of \$28,199 (5% risk-free rate of return)	<u>695,981</u>
	<u>\$ 1,320,314</u>

**4. PROPERTY AND EQUIPMENT**

Less: Accumulated depreciation and amortization	<u>(62,421)</u>

**9. BOARD-RESTRICTED AND PERMANENTLY RESTRICTED ENDOWMENTS**

Its endowment includes funds designated by the Board of Directors to function as endowments. As required by US GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

In the early years of the organization, a group of concerned individuals raised funds for endowment to sustain the future of IGLHRC. The balance of permanently restricted funds as of June 30, 2011 was \$18,354.
